MEETING ID: 868 6588 3685
PASSCODE: 350982

We are delighted to welcome you to your Caricature Workshop which is hosted by Virtually Together in partnership with our incredible artist, Chris.

She will entertain you for the hour as well as teaching you the art behind drawing Caricatures. You will have some fun learning about how to draw individual features and then try Chris or a celebrity of your choice!

All of the equipment you need for the class should be items that you have at home (or anything similar will be perfect) and includes:

- Several A4 sheets of paper, with a hard backing - either clipboard or sketchpad
- Pencil - either HB, 2B - 4B are fine
- Eraser
- Black marker pen - Sharpie, chisel-tip or felt tip - or brush pen for the bold!
- Basic colours in any dry medium - felt tips, oil pastels, crayons or highlighter pens at a pinch - raid the art or stationary cupboard!

Please see the following pages for some templates to bring along to the workshop.

We hope you have the most amazing time!

Please do tag us in any of your posts or stories, we would love to see them :)
